

My first time at Cub camp

By Jack

My tent

When I got to camp I jumped in joy when I found that Kyle was in my tent.

Also in my tent was Sebastian, Sam was with us for 1 night until he swapped tents

Day 1 {Friday}

- On my first day we....
- Went into the forest and got some firewood.
- We saw a fox.

Day two {Saturday}

- On Saturday I....
- Did some pioneering and made a massive climbing frame.
- Went on a scavenger hunt...there was a stampede.
- Had a camp fire.
- Went grass sledging...**THAT WAS EPIC!**

Day 3 {Sunday}

- We....
- Went back to the deer park and saw some deer from the wall.
- We packed up and I swept out the tent.
- We went home and I got a lift in a sports car.
